### WHO WE ARE

The Tennessee Used Car Dealers Political Action Committee (TNUCD) is the voice for the 3,000+ independent used car & truck dealers licensed in Tennessee.

### WHY WE EXIST

Without knowing Used Car Dealers' specific concerns, the legislature has passed laws that affect Used Car Dealers' finances and how they run their businesses.

### WHAT WE DO

- The TNUCD PAC members and representatives champion the interests of Used Car Dealers and fight for a level playing field for all dealers.
- TNUCD works tirelessly to monitor potential legislation and to make sure the Tennessee House and Senate give due regard to the thousands of Tennesseans who operate the businesses that employ thousands of their neighbors and keep thousands of Tennesseans on wheels to prosperity.

### HOW TO DONATE

Every Used Car Dealer is invited to serve our industry by strengthening relationships with local and state elected officials, keep informed and spread the word about laws that might affect us, and by contributing the TNUCD PAC.

Make your financial investment in TNUCD so it can support the candidates who support Tennessee Used Car Dealers.
